

This website uses cookies (HTTP Cookies), which allow the display and use of our website. Cookies are used by most websites to provide a better user experience, monitoring of visits statistics and the like. They are a convenient means of keeping fresh and relevant content, which is in conformity with the interests and preferences of web pages.

### **What are cookies and why are they needed?**

A cookie is a small text file that a web server stores on your computer's disk. Its main purpose is to save your settings and other information on your computer, so the next time you visit our web site there is no need to re-enter all data. Cookies can not implement programs or infect your computer with viruses. A cookie does not allow us any access to your system or data. All modern web browsers allow cookies settings. Browsers can be set to accept or reject all, or certain, cookies or prompt the user each time a cookie is offered. Changing your browser settings to receive cookies may limit your ability to interact with our site. You can always delete the cookies that are stored on your computer with your browser tools (history and cookies settings).

### **Cookies that collect information about the use of the website**

This Website also collects data on the use of websites and online services. The tool for analyzing Web site, for example, from your browser, provide information on what site you came from, which search engines and keywords you are looking for us, the pages you viewed on our Web site and which supplements what kind of gauge and height using your browser. With a variety of tracking technologies can collect information about which pages you view, the links you click and other actions you perform on our website. In addition, we collect standard information that your browser sends to every website you visit, such as your IP address, browser type and language, access times and addresses of Web sites.

### **Types of cookies that we use**

Cookies are used on this site are in accordance with the new EU law on the use of cookies, and follow the guidelines of the Information Commissioner of the Republic of Slovenia.
